Official Clocks:

- Some facilities have purchased sports competition clocks from their local sporting goods store. If computers are available in every room, you can download a competition clock program at:
http://www.netl.doe.gov/coolscience/funstuff/sb_clock.html
- Other sites utilize the clock in each competition room.
- It is recommended that stopwatches be used to time toss-up and bonus questions.

Fuel Cell Cars:

- The official supplier of the hydrogen fuel cells for the cars is The Fuel Cell Store. <http://www.fuelcellstore.com>
